AMEVIE BAMBOO SUNGLASSES TROPICAL - 2018

Inspired by tropical beaches in the Caribbean,
this collection combines color with clear frames.

CANADIAN BRAND - AROUND THE WORLD

AMEVIE is a Toronto based sun-care and lifestyle brand that cares. The personal struggle with skin Lupus and sun hypersensitivity of the founder, gave birth to Amevie.

The collection is designed in Toronto and manufactured overseas with certified partners. Bamboo is a sustainable and renewable resource, and we offer a worry-free 180 day warranty.

To further our sustainability efforts we offer repair services as well as we use recycled materials as much as possible.

Each pair is packed with a foldable case, pouch and cleaning cloth.

Amevie is an official partner of Seva Canada, and with the purchase of one pair of sunglasses, the company donates to Seva Canada to ensure a child in need gets a pair of prescription eyeglasses.
